

Introducing

CUSTOM ENGRAVED COMMENDATION BARS

Setting a new standard

No Minimum Quantity

Economically Priced

Fully Customizable

Stands The Test Of Time

Blackinton® has revolutionized the way commendation bars are made, setting a new standard.

The *new custom engraved* Blackinton® commendation bar is an economical, quality offering that can be worn with pride for a lifetime.

ENGRAVED VS APPLIED

Engraved bars are more **durable** ; characters will not shift or tear off over time.

CUSTOM ENGRAVED VS CUSTOM DIE

Engraved bars are **economical** ; low quantities are competitively priced. \$49 one-time setup fee vs \$150 die charge.

Award *an achievement or act of Valor, Honor, or Courage* Custom Engraved Commendation Bar.

Two new exciting offerings:

Engraved Characters

This option replaces what was applied figure commendation bars; when a character was applied to an enamel bar. Recognizing, applied figure commendation bars were prone to characters shifting and falling off we have tested, and now adopted, this new method for manufacturing our commendation bars, engraving.

New Engraved Commendation Bar Above

Old Applied Character Commendation Bar Above

Custom Engraved Images

If you are looking to create a custom commendation bar for your department and have a special design in mind, or just an idea, this option is for you. We can replicate most images and designs - and best of all there are no die charges, just a one-time \$49 set-up fee.

Why Choose an Engraved Blackinton® Commendation Bar?
