BLACKINTON® COMMENDATION BAR PROGRAM

Details and Ordering Information

BAR SIZE / FINISH:

1 3/8" x 3/8"
Rhodium or
Gol-Tone®

Each beautifully crafted bar measures 1 3/8" x 3/8" and is available in either Rhodium or Gol-Tone® finish, in the colors shown.

Outside of this program, the bars can be ordered in different enamel colors. Please see an Authorized Blackinton® Dealer for details.

BAR ATTACHMENT:

Single Slide Bar Holder

The commendation bars are shipped in a single slide holder with two clutch back attachments. The bars have been made so they can be removed and slid into slide holders designed to hold two or three bars.

Slide bars have revolutionized the way award bars are displayed on uniforms. They are available in three sizes (holding 1 bar, 2 bars or 3 bars) and can be ordered separately.

WHAT IS A SLIDE BAR?

- 1 Bar Style#: J205-1B**
- 2 Bar Style#: J205-2B**
- 3 Bar Style#: J205-3B**

Benefits:

- No more crooked misaligned commendation bars.
- Only 2 nails per slide holder, thus less holes in your uniform.
- Bars can be removed and slid in holders designed for more bars easily!

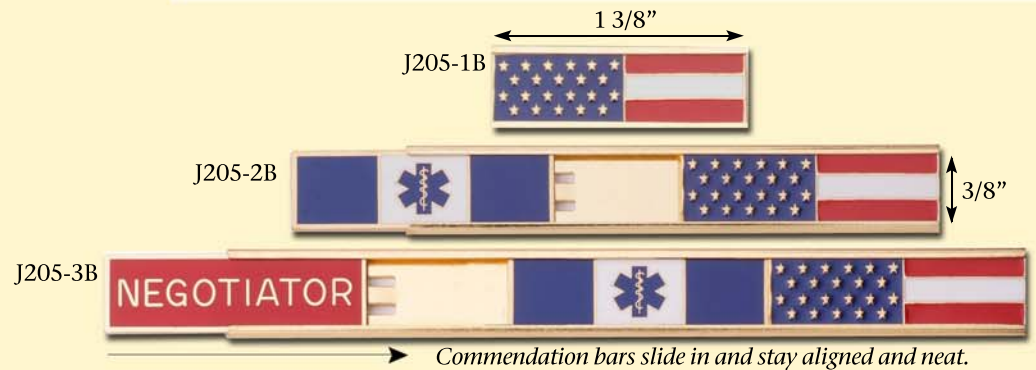

Many More Styles Available:

Blackinton® has hundreds of other styles, and size, commendation bars available for purchase.

Visit our website at www.blackinton.com, or contact an Authorized Blackinton® Dealer for details.

Custom Bars Available:

If you are looking for a truly unique design our art department will work with you to create a distinct design that can be replicated in a die or engraved onto an existing bar, the choice is yours.

ORDERING:

**Contact an
Authorized
Blackinton® Dealer**

Contact an Authorized Blackinton® Dealer to get pricing and to place an order. To find a dealer in your area go to the Blackinton website: www.blackinton.com, click on the Dealer Locator (*top right corner of the homepage*), and type in your zip code.

There are no minimums or die charges associated with this program!
